The educational program at Connxions Event Center is firmly grounded in these four core values:

1. We believe in cultivating a complete, dynamic life by actively pursuing a broad range of passions and interests through education.
2. We believe in the importance of Biblical principals as a guiding reference for our daily lives.
3. We believe it's our responsibility to participate in the community around us and help better the lives of fellow community members.
4. We believe that relationships with others are vital through teamwork we can always accomplish more.

Connxions is a creative, fun environment where young and old come together to learn and grow while experiencing an enhanced sense of community. It's a place where people can improve their lives by taking classes on a variety of subjects taught by experts in their fields.

The objective of Connxions Event Center is to serve the community by strengthening individuals and relationships and giving people an opportunity to exercise talents not easily exercised in other settings.

Why should I take classes at Connxions?

To grow as an individual and to cultivate new relationships while strengthening existing ones.

When are classes held?

Class times vary, but since there is something going on at the Connxions Event Center most days and nights of the week, it's likely that you'll find a class to fit your interests and schedule.

How long does a class last?

Again it varies. Some classes consist of one two-hour session and others consist of four one-hour sessions or more. It all depends on the topic being taught and how much time the instructor needs to get through the material. How many sessions you are able to attend is up to you.

Do I need to buy anything for class?

Some instructors will provide a recommended reading list or suggest other resources. Most of the time you will be able to purchase everything you need for class at the Connxions bookstore. You can even grab a snack and a cup of coffee before you head into the classroom!

How much will it cost me?

Prices vary depending on the type of class and the number of sessions offered. See enclosed insert for current pricing schedule.

How do I find out which classes are currently being offered?

See the enclosed insert for classes being offered this quarter.

How do I enroll?

Simply go to www.connectingwithyou.com to fill out a registration form or call 515-276-3333. A registration slip is also enclosed in the insert if you prefer to mail it in.
